Commanders Interagency Engagement Group (CIEG)

INTERAGENCY ENGAGEMENT

The overall classification of this briefing is
UNCLASSIFIED

Michael Ritchie
Director, Interagency Engagement
March 2008

Mission

Mission

Provide a full-time multifunctional advisory element for the Combatant Commander and staff composed of United States Government (USG) civilian and military representatives in order to *communicate, coordinate, cooperate, collaborate, integrate and synchronize* interagency and private sector activities across the full-spectrum of operations in the AOR.

- DOD I: 3000.XX

Scope

- Advises Commander and staff on objectives, support requirements, capabilities and limitations of other United States Government Agencies.
- Participates and provides interagency perspective in operational planning teams, theater security cooperation, exercises, and contingencies.
- Coordinates with other U.S. Departments, Agencies and U.S. Embassies to facilitate communications to the component commands and joint task force headquarters regarding interagency issues.

*Seek to Integrate efforts of all **United States Government Agencies** at the strategic, operational and tactical levels.*
